# James Whang Curriculum Vitae

Collaborative Research Centre (SFB 1102) Universität des Saarlandes Gebäude C7.2, Rm 5.03 66123 Saarbrücken Germany  $\boxtimes$  research@jameswhang.net Last updated: November 2018

#### Full name

James Doh Yeon Whang

#### **Education**

09.2017	PhD in Linguistics, NYU.
03.2007	BA in Linguistics and Japanese, UCLA.

## **Employment**

11.2018-current	Postdoctoral researcher,
	Collaborative Research Centre (SFB 1102),
	Universität des Saarlandes, Germany.
	PI: Bernd Möbius & Bistra Andreeva.
10.2017-10.2018	Postdoctoral fellow in computational modelling of language learning and processing,
	MARCS Institute for Brain, Behaviour & Development,
	Western Sydney University, Australia.
	PI: Paola Escudero.

#### **Grants and Awards**

06.2015–05.2017	National Science Foundation BCS-1524133. "Doctoral Dissertation Research: Pre-
	dictability and recoverability of high vowel reduction in speech."
09.2011-05.2016	MacCracken Graduate Fellowship, New York University.
07.2014	Dean's Student Travel Grant, New York University.

#### **Publications**

accepted	K. Yazawa, <b>J. Whang</b> , P. Escudero, and M. Kondo. "Language-dependent cue weight-
	ing: an investigation of perception modes in L2 learning". Second Language Research.
2018	<b>J. Whang</b> . "Recoverability-driven coarticulation: Acoustic evidence from Japanese
	high vowel devoicing". Journal of the Acoustical Society of America 143(2):1159-1172.
2017	<b>J. Whang</b> and F. Adriaans. "Phonotactics and alternations in the acquisition of
	Japanese high vowel reduction". Proceedings of the 41st annual Boston University
	Conference on Language Development.
2016	James D.Y. Whang. "Perception of illegal contrasts: Japanese adaptations of Korean
	coda obstruents". Proceedings of the 36th Annual Meeting of the Berkeley Linguistics
	Society: 488-498.
2014	G. Gallagher and J. Whang. "An acoustic study of trans-vocalic ejective pairs in
	Cochabamba Quechua". Journal of the International Phonetic Association 44(2):133-
	154.
2014	A. Szabolcsi, <b>J.D. Whang</b> , and V. Zu. "Quantifier words and their multi-functional(?)
	parts". Language and Linguistics 15(1):115-155.

#### **Conferences** 2018 J. Whang. "Reconciling CV phonotactics and high vowel deletion in Japanese". Poster at the Annual Meeting on Phonology 2018 (AMP 2018); San Diego, California; October 5-7, 2018. 2018 **J. Whang.** "Syllabification of consonant clusters by L1 Japanese L2 English speakers". Poster at the Hanyang International Symposium on Phonetics and Cognitive Sciences of Language 2018 (HISPhonCog 2018); Seoul, Korea; May 18-19, 2018. 2018 P. Escudero, A. Tuninetti, and J. Whang. "Effects of cognitive development in speech perception". Talk at the Hanyang International Symposium on Phonetics and Cognitive Sciences of Language 2018 (HISPhonCog 2018); Seoul, Korea; May 18-19, 2018. 2016 J. Whang and F. Adriaans. "Phonotactics and alternations in the acquisition of Japanese high vowel reduction". Poster at the 41st Boston University Conference on Language Development (BUCLD 41); Boston, MA; November 4-6, 2016. 2016 **J. Whang** and F. Adriaans. "The role of phonotactics and alternations in the acquisition of Japanese high vowel reduction". Poster at the 24th Japanese/Korean Linguistics Conference (J/K 24); Tokyo, Japan; October 13-16, 2016. 2016 J. Whang. "Illusory epenthesis and recoverability-conditioned sensitivity to phonetic detail". Poster at the 15th Conference on Laboratory Phonology (LabPhon 15); Ithaca, NY; July 13-16, 2016. S. Kawahara, J. Shaw, and J. Whang. "Targetless /u/ in Tokyo Japanese". Poster at 2016 the 15th Conference on Laboratory Phonology (LabPhon 15); Ithaca, NY; July 13-16, 2016. 2016 J. Whang. "Recoverability-conditioned sensitivity to phonetic detail in cross-language perception". Talk at PhoNE 2016; New York, N.Y.; April 9, 2016. 2016 J. Whang. "Effects of recoverability on perception of illusory vowels". Talk at the 90th Annual Meeting of the Linguistic Society of America (LSA 2016); Washington, D.C.; January 7-10, 2016. J. Whang. "Acoustic effects of predictability and gender on Japanese high vowel 2014 reduction". Poster presentation at the 14th Conference on Laboratory Phonology (LabPhon14); Tokyo, Japan; July 25-27, 2014. 2014 **J. Whang.** "Effects of predictability on vowel reduction". Poster presentation at the 167th Meeting of the Acoustical Society of America; Providence, Rhode Island; May 5-9, 2014. J.D.Y. Whang. "Perception of illegal contrasts: Japanese adaptations of Korean coda 2010 obstruents". Talk at the 36th Annual Meeting of the Berkeley Linguistics Society (BLS36); Berkeley, California; February 5-7, 2010. **Invited Talks** 2018 James Whang. "Effects of phonotactic predictability on Japanese high vowel processing". Saarland University; Saarbrücken, Germany; July 18, 2018. James Whang. "Effects of predictability on the production and perception of high 2018 vowels in Japanese". Seoul National University; Seoul, Korea; May 16, 2018. 2015 James Whang. "Effects of recoverability on perception of illusory vowels: Preliminary results". Keio Institute of Cultural and Linguistic Studies Research Group; Tokyo,

computational approaches". RIKEN Brain Science Institute – Laboratory for Language Development; Saitama, Japan; July 30, 2015.

James Whang. "Recoverability-driven speech patterns: The case of Japanese high vowel reduction". Keio Institute of Cultural and Linguistic Studies Research Group; Tokyo, Japan; May 19, 2015.

James Whang. "Learning high vowel reduction in Japanese: Combining empirical and

Japan; July 30, 2015.

2015

## **Other Manuscripts**

K. Yazawa, T. Konishi, M. Kondo, J. Whang, and P. Escudero. "Developmental in prep

changes in Japanese speakers' production of English monophthongs".

J. Whang and F. Adriaans. "Learning to reduce and recover: the role of phonotactics in prep

and alternations in Japanese high vowel reduction".

under revision

J. Whang. "Effects of phonotactic predictability on sensitivity to phonetic detail". 2017

James Whang. Shaping speech patterns via predictability and recoverability. Disserta-

tion, NYU.

Chair: Frans Adriaans and Lisa Davidson

Committee members: Gillian Gallagher, Maria Gouskova, and Shigeto Kawahara

2014 James Whang. Modeling a phonotactic approach to segment recovery: Japanese high

vowel reduction. Second qualifying paper, NYU.

Chair: Frans Adriaans

Committee members: Adam Buchwald and Lisa Davidson

2013 James Whang. Recoverability-driven vowel reduction: Evidence from Japanese high

vowel devoicing. First qualifying paper, NYU.

Chair: Lisa Davidson

Committee members: Gillian Gallagher and Kathryn Pruitt

## **Teaching**

#### St. John's University

Fall 2016 Introduction to Phonology.

Adjunct instructor.

#### **New York University (Teaching Assistant)**

Spring 2017 Science of Language (introduction to linguistics), Prof. Tara McAllister.

Recitation leader.

Morphology, Prof. Maria Gouskova. Spring 2017

Course assistant (grader).

Fall 2015 Language (introduction to linguistics), Prof. Maria Gouskova.

Recitation leader and guest lecturer (syntax)

Fall 2014 Sound and Language (phonetics), Prof. Lisa Davidson.

Recitation leader and guest lecturer (speech perception).

Language (introduction to linguistics), Prof. Anna Szabolcsi. Spring 2014

Recitation leader and guest lecturer (speech perception).

Fall 2013 Sound and Language (phonetics), Prof. Lisa Davidson.

Recitation leader and guest lecturer (acoustic analysis).

#### **Research Assistantships**

Department of Linguistics, New York University, USA. Summer 2014

PI: Frans Adriaans.

Summer 2013 Department of Linguistics, New York University, USA.

PI: Lisa Davidson.

Department of Linguistics, New York University, USA. Summer 2012

PI: Gillian Gallagher.

#### **Services**

Reviewer

Articles Journal of the Association for Laboratory Phonology; Journal of Experimental Psy-

chology: Learning, Memory, and Cognition; Applied Psycholinguistics.

Abstracts "15th Conference on Laboratory Phonology (LabPhon15)".

At MARCS

05.2018-current | Coordinator, Slider-MAC (department-internal workshop and guest talks).

At NYU

2012-13 *Vice President*, Linguistics Association of New York University (for graduate students).

## Languages

English Native
Japanese Fluent
Korean Native

## **Professional Experience**

04.2007-08.2011 | Freelance translator and interpreter (English, Japanese, Korean).

Specialized in translation of legal documents and doctoral theses.

Interpreter for Japan-US business meetings.

09.2007-06.2010 | Associate localization producer (XSEED JKS, Inc. Torrance, CA).

Correspond with Japanese clients via email and phone. Translate and edit game text from Japanese to English.

Translate English marketing documents to Japanese for Japanese marketing firm.
